Catalogue 1 – Month 11 – Year 2022

Founded Officially this Year & collecting Art and Books in South Africa for a few years before 2022; Azuridian Hopes to preserve and create for the beautiful world of Art and to preserve knowledge for the future of South Africa and for every Nation.

This Catalogue will feature some of the works from South Africa, China, Italy, and Germany, as well as other countries; all of these works have been collected over time from Charities and Small businesses here in South Africa.

With these works, we hope to show to every individual seeing this Catalogue that beautiful Art worthy of International World Standards can be found, even in the unlikeliest and most dangerous of places.

Here in South Africa.

In Addition to us one day wishing to open a Museum and Library, as a Project, we have created a Website for everyone in SA to Sell and Buy their Art & Books. There will be no Listing Price, and Azuridian will only take a small percentage of the sale to help fund the upkeep and betterment of the website: If you are an Artist, Collector, or Curator of Books and wish to Purchase or Sell works, please visit [AZURIDIAN – Art & Book Marketplace / azuridian.co.za](http://AZURIDIAN – Art & Book Marketplace / azuridian.co.za) ; to see the Online Marketplace. We will be doing our best to improve the Website over time, and to make it freely available to everyone.

For more information on our Organisation and to Support us & Help in the Building of a Foundation for our work, for us to support the citizens of SA;
